

Activation & Training of Suppliers on www.h-dsn.com

Follow the steps below to complete activation & training of your suppliers on H-DSN.

Step 1:

SCA,SCS, SBA or Buyer Planner verifies supplier is pre-approved for H-DSN access.

- Approval status is found in the SPM Relationship page.
- If approval status change is needed, email request to Kelly Barbara.

Step 3:

The supplier will receive an email confirmation with a user name and password following activation and set up. The supplier is now capable of self training, setting up additional users and utilizing the functionality on H-DSN.

Tutorials are provided on H-DSN for self training on all of the applications.
